## President's Message

Hello everyone.

It's Spring so at our Club it's time for a new Board to take over. There will be new faces as well as some who have served on the Board before. Two of our elected Officers are stepping down, I wanted to give a big thanks to Laura Loman-Pressler and Jim Davis. Laura has been our Corporate Secretary for 2 years. She did a great job and offered good advice on all issues we discussed. Jim has been the Membership Secretary for 2 years and the Newsletter Editor before that. He has been invaluable for his advice on a wide variety of projects and events at the Club. Both of you will be missed and thanks again. New people step forward, and others change jobs. I will talk more of the new Board next month. Most positions are covered, but there are always events that we need help with. So if you have been thinking you might want more involvement in what happens at our Club come and talk to me.

I hope you have all made your plans for Phoenix 4th of July. If you haven't you should

act fast. Even if you don't want to stay at the Camelback you want to stay close if at all possible. I can tell you from experience the Camelback is a great place to stay and our room rates are cheap for such a luxury hotel. It's going to be hot, both the convention and the sun so be prepared on both counts. You should also think about volunteering for some of the positions that they need a lot of people to help with. Things like greeters at the front door or help at the registration tables. You can contact them directly at [www.gpsdc.com](http://www.gpsdc.com). Ellen or Cruz would know who you should talk to as well.

Our J & J finals are in August. Our last contest of the regular season is this month. We take June off and then the Convention is our main event in July. So May is your last chance to get some points. In some divisions any points will get you into the finals. So good luck!

Until next month, I will see you out dancing.  
Bill Garrity

## **Dance Lessons At the Club**

Each month the club dance instructors teach the beginning patterns in West Coast Swing. Students may start the lesson sequence on any Thursday.

**First Thursday of the month:** Left side pass, underarm turn, underarm turn with a hand change, and the right side pass.

**Second Thursday:** 4-beat starter step, throwout, closed basic.

**Third Thursday:** Sugar push, tuck throwout, turning basic.

**Fourth Thursday:** Basic whip, whip with an inside turn, whip with an outside turn.

**Fifth Thursday:** Basket whip and variations.

We recommend taking the basic class for three months before going on to the intermediate class. Intermediate classes teach pattern variations, combinations, and syncopations beyond the basics.
